

In 9 steps to a Letter of Access (LoA) to the active substance dossier of EurO₃zon

Step 1 Signing a letter of intent (LoI)

To show your serious interest for a LoA from EurO₃zon, a letter of intent is to be submitted to EurO₃zon. A template of such a letter of intent can be downloaded from the website of EurO₃zon.

Step 2 Submit a signed letter of intent to EurO₃zon

After having signed the letter of intent, this document is to be submitted to EurO₃zon by either e-mail or mail. Addresses for both cases are available on the website of EurO₃zon.

Step 3 Get contacted by EurO₃zon

When EurO₃zon has received the signed letter of intent, the submitting party will be contacted by EurO₃zon.

Step 4 Phase of discussion and exchange

During this phase all the necessary information is to be exchanged to either being able to set up an agreement of granting a letter of access or to stop the process.

Step 5 Preparing the agreement of granting a letter of access

During this phase the agreement will be made ready for the signing by the both parties.

Step 6 Signing the agreement of granting a letter of access

The agreement is either to be signed by EurO₃zon and the third party or the process will be stopped.

Step 7 Invoicing

After the agreement was signed by both parties the purchasing party will receive an invoice from EurO₃zon in accordance with the agreement.

Step 8 Payment

The purchasing party shall pay the invoice to EurO₃zon.

Step 9 Issuing the letter of access

After the complete payment of the invoice by the purchasing party, EurO₃zon will issue the letter of access.
